### **Reasonable Cause Explanations**

#### Explanation

I was very busy working on my Ph. D. and running this organization at the same time. I had many final papers due for my classes in December. Since I was preoccupied with my course work I erroneously thought that my due date for filing this tax form was January 15 rather than the actual date of December 15. When I realized my error I filed this tax form as quickly as I could. I am sorry and it won't happen again.
